In the Matter of:

AN INVESTIGATION OF TOLL AND ACCESS)
CHARGE PRICING AND TOLL SETTLEMENT)
AGREEMENTS FOR TELEPHONE UTILITIES) CASE NO. 8838
PURSUANT TO CHANGES TO BE EFFECTIVE) PHASE II
JANUARY 1, 1984)

O R D E R

In its Order in this matter dated November 20, 1984, the Commission directed that ULAS tariffs be filed not later than 30 days from the date of that Order. By further Order dated December 20, 1984, South Central Bell Telephone Company ("Bell"), designated as the Pool Administrator, was given an extension of time and directed to file a proposed ULAS tariff by January 21, 1985. The ULAS tariff has now been filed.

The Commission further directed in its November 20, 1984, Order that any party desiring to comment on the proposed ULAS tariff should file such comments within 30 days of the date of the tariff filing, and that a technical conference would be held to discuss any problems or differences relative to the proposed tariff. The Commission has determined that all comments should be filed not later than February 28, 1985, and a technical conference of interested parties be held on March 18, 1985, to discuss the ULAS tariff and any filed comments.

The Order of November 20, 1984, anticipated an effective date of April 1, 1985, for the actual implementation of the ULAS tariff. However, because of the delay in tariff filings and other matters of reconsideration and/or rehearing in this case, the Commission has determined that the effective date will be June 1, 1985. Due to pending Federal Communications Commission actions relative to access charges scheduled to become effective on or about that same date, the Commission at this time will not accept any petitions for delay or deferment of the ULAS tariff implementation beyond June 1, 1985.

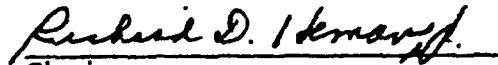

IT IS THEREFORE ORDERED that parties of record desiring to file comments relative to Bell's proposed ULAS tariff shall file those comments with the Commission and all other parties of record not later than February 28, 1985.

IT IS FURTHER ORDERED that a formal technical conference to discuss the ULAS tariff and any filed comments be and it hereby is scheduled for March 18, 1985, at 9:00 a.m., Eastern Standard Time, in the Commission's offices at Frankfort, Kentucky.

IT IS FURTHER ORDERED that the effective implementation date of the ULAS tariff shall be June 1, 1985.

Done at Frankfort, Kentucky, this 22nd day of February,
1985.
